

# International Academy for Advanced Oncology (IAAO)

- IAAO provides basic researchers, clinical researchers, and oncologists who lead cancer research and treatment in Japan with opportunities to exchange and discuss academic information and build a global human network through exposure to the latest cancer research results from world-class researchers and opinion leaders in the field of oncology invited from overseas and Japan.
- Starting in 2010, IAAO provides innovative cancer research information under the guidance of the advisory board consisting of Japanese and global experts under the leadership of Dr. Bruce Chabner, a global authority on cancer research.

## ***Proceedings of IAAO***

C-FINDs publishes the *Proceedings of IAAO*, which are distributed free of charge to all physicians, researchers, and others involved in the field of oncology in order to contribute to the development of cancer research and treatment in Japan.

If you are interested in this publication, please contact [info@c-finds.com](mailto:info@c-finds.com)
